RESOLUTIONS

Resolutions of the Alumnae of the Industrial Institute & College a Columbus, Mussissippi, on the resignation of Miss Pauline \ Orr, Proffessor of English Litera fure in that institution.

Whereas, Miss Pauline V Or ha

Therefore, We, the Alamone As sociation of the Industrial Listitute & College, do hereby in Jozing gratiful

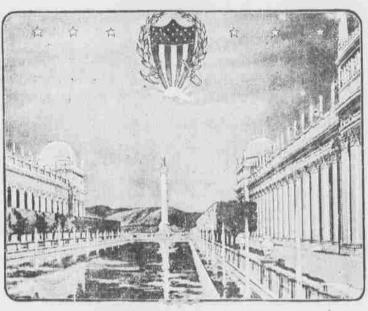

scrutions we give a boous of 75.000 First: That in the resignation of exers votes making a total of 135,000. Miss Pauline V. Orr, the Institution wide culture, powerful inspirator For every seven yearly new sub- broad humanity, and unfaltering deve tion have in past years enriched an For every seven renewal subscriptenlighteded the lives of hundreds or women, through whom her influence will pass with incalculable progaes sions into the eternal years.

Second: That throughout our mahomes; in our motherhood, not leslife of this and states, we have found The following are the enterprizing our personal duties and relations to others clearized and ennobled by the lessons of Miss Ovr's class room, avby what we left to be the moving principles of her own life. Howeve far we may have fallen short of he example, we feel that the menta habits, the standards and ideals of our children and pupils have some definite relation to the impression made upon us by Miss Orr's, gentle ness, her fairness and courage, he discouragement of cant and surface

Third. That those of us whom the chances of life have made possible more extended study in the greates institutions of America, and who have thus become acquainted with the educational processes of the advanceinstitutions of other sections and states, do berewith express our grate ful appreciation of the general attitudand approach to learning that Mis-Orr made possible for us to, and of her entire educational procedure ... hick we have found to be in haror ny with the very soundest that this country affords. With our incaseses apportunity for comparison and on enlarged spheres of serios, we have

Fourth: That we recall among the N 1-2 of NE 1-4 of Section 14, details; to connect the demand for failing joy; to take the individustudent at her true worth, and only upon that basis; to appeal to her high est motives and draw forth her talent forces; and to give to the day's world a sense of connection with what en
